WINE

The **FINNIESTON**

Welcome to The Finnieston, one of Glasgow and Scotland's hidden treasures, bustling with award winning food and drink.

From humble beginnings as a Drovers' Tavern c.1800, (and was frequented by Rob Roy MacGregor!) a cabinet maker, hotelier and even a dairy farmer have called its' brick walls home.

The Finnieston began with a clear ethos, and has continued to push that sustainable seafood ethos into an amazing offering. This island and its surrounding waters provide us with the greatest natural larder any nation can lay claim to, and for us at the Finnieston our beautifully fresh seafood reigns as a national treasure.

We've handpicked all of our wines for their excellent taste and their ability to pair with the best of Scotland's larder.

We pride ourselves on our commitment to serving only the very best of seasonal and sustainable Scottish seafood, complimented by local Scottish produce.

Welcome, relax and Slàinte

COASTAL WINES

Wines influenced by the sea have a real freshness and purity, making them the perfect partner to our local seafood. The soils are packed with fossilized sea shells which, when you combine with the cooling salty influence of the sea, helps to create wines of real character. All these wines are coastal and would be a great partner with our fruits of the sea.
